Gentlemen:

Thank you for your letter of the 14th regarding the price change of WCSR pins.

Even though there is an increase in price, please print the pins without the PBS lettering. However, please reduce the order from twenty to only fifteen pins.

In case of future orders, once the PBS lettering has been removed from the die, will the price of the pins continue to be \$1.75, or will they again cost \$1.50 each?

Please send the pins as soon as possible. Thank you very much.

Sincerely,

Nancy Gasway,
Executive Secretary
